

MONARCH

DISCLAIMER FORM

ALL Monarch Kits and modified parts ARE SOLD ON THE FOLLOWING CONDITIONS:

They have all been in production for many years and dozens sold to customers worldwide without a single failure. Whilst every effort has been made to ensure 100% reliability, Monarch cannot accept any liability in the unlikely event of the failure of any component for any loss, breach, damage (whether direct, consequential, general or special) or expense of any nature whatsoever which may be caused directly or indirectly through fitting of, use of, or reliance upon these parts/kits by any person. I (the customer) accept total responsibility for the correct fitting of the parts according to and following to the letter, the instructions provided by Monarch.

Due to the differing conditions and circumstances under which parts or kits are installed and used, customers are not relying on the skill or judgement of Monarch to select or furnish the proper part or equipment for their particular needs. The customer expressly affirms they are relying upon their own skill and judgement to select and purchase suitable goods.

Any reference in the website or other promotional materials of Monarch to speed or performance should not be taken as an encouragement to drive either dangerously or in excess of national speed restrictions.

I (the customer) have read, understood and agree to the terms of business.

I (the customer) understand all of the above and agree to purchase these parts/kits on the above terms.
